## Vision, Mission and Values

### Vision

SANU aspires to impact communities through transformational leadership and Christ-like service in pursuit of academic excellence.

### Mission

SANU affirms the Wesleyan-Holiness heritage and commits to shape and model persons of Christ-like character for community service through high quality innovative, inquiry based-interactive teaching and learning and transformational leadership.

### Values

**SANU subscribes to the following ACDEMICT core values:**

- **A** “servant leadership’ lifestyle as modeled by Christ Jesus
- **C**ommitment to the Great Commission of Jesus Christ found in Matthew 28: 16 -20
- **D**evelopment of life-long and self-directed learning
- **E**xcellence in academic programmes
- **M**odeling Christ-like love in holy living
- **I**ntegrity and transparency in all spheres of life
- **C**ompassion for all people
- *Transformation*

# FACULTY OF EDUCATION

The Faculty of Education was established in 1939 as the Nazarene Teacher Training College. In 2010 when SANU was established it was merged with the other colleges of the Church of the Nazarene and renamed to Faculty of Education. The Faculty is based in the Manzini Campus. Below are some of the programmes offered by the Faculty in the 2021-2022 Academic Year.

## PRIMARY TEACHERS' DIPLOMA (PTD)

### Overview of the Programme

The PTD programme is intended to give prospective primary school teachers the required competence in pedagogy, subject matter and supervised teaching practice to equip graduates for the teaching profession.

## FACULTY OF THEOLOGY

The Nazarene College of Theology (NCT) is the oldest theological training institution of the Church of the Nazarene in Africa. Its primary function has been and continues to be the preparation of persons for the Christian ministry. NCT is the direct result of the Church of the Nazarene missionary efforts in Africa by the Rev. H. Schmelzenbach. This work was begun in the northwest part of the Kingdom of Swaziland in 1910. From 1912 until 1931 the college was situated in the northwestern part of the country and in 1935 the campus was moved to a four-hundred acre site in Siteki in the eastern part of the Kingdom on the Lubombo Mountain range.

The Faculty houses two departments, which are; Department of Business Management and the Department of Theology.

## DEPARTMENT OF BUSINESS MANAGEMENT & ENTREPRENEURSHIP

The Department of Business Management & Entrepreneurship currently offers a Diploma in Business Management & Entrepreneurship.

### Diploma in Business Management & Entrepreneurship

#### Overview of the Programme

This programme is designed to equip students with business management and entrepreneurship skills.

#### Entry Requirements

- Minimum of four (4) credits & two (2) passes (English, Mathematics, two commercial subjects).
- Or SANU's Business Incubation Program certificate at 70% plus pass
- Or any Business Qualification at Certificate Level from a recognized institution.
- Minimum **32 Points**

#### Duration

Three (3) years on a full-time basis.

#### Career Opportunities

- Start & successfully run your own business
- Be employment in any business areas like accounts, finance, marketing, etc

## DEPARTMENT OF THEOLOGY

### Bachelor of Theology

#### Overview of the Programme

The program aims to produce competent theologians, who embody character and integrity; who will be prepared to meet the challenges of their time and make a positive difference in their communities. It tackles advanced theoretical and research aspects in theology and the biblical truth, and prepares ministers for service in the church by equipping them intellectually, socially and spiritually.

## Admission Requirements

- Six (6) credit passes
- Mature age entry - candidates must be above 25 years, have attended and completed a course of study in the last 10 years at an institution recognized by the university.

## Duration

The programme is studied over a four (4) year period or 8 semesters, on flexible evening classes.

## Diploma in Theology

### Overview of the Programme

The program is designed to enrich students' understanding of theological and biblical truth and affords them ability to effectively communicate the gospel truth with confidence and integrity. It also enables them to lead, teach, counsel, and preach with understanding the gospel of Jesus Christ. Lastly, it prepares students to face the challenge of theological debate and proper exegesis.

### Admission Requirements

- A minimum of three (3) passes at C grade or better in any three subjects including English.
- The applicant must be at least eighteen (18) years with two or more years of active involvement in a local church.

### Duration

The programme is studied over a three (3) year period or six (6) semesters on flexible evening classes.

## CERTIFICATE IN PASTORAL MINISTRY (CPM)

### Overview of the Programme

This programme is designed for aspiring Ministers who have not completed high school. It will equip them with the foundations of Pastoral Ministry to nurture Christian maturity, ethical conduct and rich interpersonal relationships. Students will develop presentation skills by engaging in oral and written communication. During practicum, they will be exposed to various pastoral skills.

### Admission Requirements

*An applicant must:*

- Have a desire to study the Bible and Pastoral Ministry.
- Be able to read and write English/SiSwati.
- Be in good mental health.
- Obtain references from the pastor of the church which holds their membership, the committee/board of the local church, the employer or head of last school attended and a personal recommendation.

### Duration

The minimum duration for this programme is three (3) years of study on a full-time basis.

### Career Opportunities in Theology

After successfully completing studies, a graduate can;

- Be a Minister (Pastor, Preacher, Reverend, etc.),

- Be a Missionary,
- Be a Chaplain,
- Be a Counselor – Individuals, Couples
- Do Youth & Children Work/Ministry and many more.
- Also advance academically to pursue a higher level qualifications

### **Added benefit for Theologians studying at SANU**

As an added benefit, we equip theology students with entrepreneurial skills to enable our future Pastors to lead income generation projects in the churches and communities where they serve.
